Multi-talented jack of all trades looking for work in carpentry, wood-working or high-end furniture building.

Chief Engineer, Carpenter, and Entrepreneur
Vox Pop coffeehouse
2003-2009

I built two Vox Pop coffeehouses from 2004-2006, in Brooklyn and Manhattan. Construction included installation of tile and hardwood floors, design and building of furniture, some plumbing, and structural repairs in the basement.

Handyman and Building Super
98-100 Suffolk Realty
1996 - 2001

I was the Building Superintendent and handyman at these 40-unit buildings in the Lower East Side of Manhattan. Tenants loved me, because I took care of them. I was responsible for light construction, sanitation, boiler maintenance, & extermination. Went above and beyond the call of duty and built outdoor furniture, and planted trees.

Carpenter, New Mexico

I recently have worked in Taos, New Mexico, at Elston Construction (early Fall 2003) and Terrone Builders (Summer 2003). Built a straw bale house in San Cristobal with carpenter Charles Wemple.

Junior Mechanic/Carpenter
H&H Construction, Greenlawn, NY
2001

High-end cedar trim, clap-board and custom mouldings for multi-piece, large windows for massive houses in Brookville and Muttontown. Worked with all kinds of saws, routers, trim tools and high quality woods.

Tools

Saws: Circular, Chop, Reciprocating, & Table.
Drills, Router, palm sanders, spackle tools, etc.

Education

B.A., Writing and Literature, May, 1993, GPA: 3.7
New School for Social Research, New York City

NY Driver's License
